

yuzucello chiffon cake

A signature cake from pastry boutique

Hyatt Regency Kyoto's signature cake is a delightfully fluffy, melt-in-the-mouth chiffon featuring a twist of classic Italian liqueur, using the unique and elegant citrus flavor of Kyoto-grown yuzu fruit. Packaged in a charming box inspired by yuzu, this would make a perfect gift.

JPY2,400 (incl. tax), shipping available

*Please order at least three days in advance.
